On January 30, 2001, a group of SIVACO Georgia employees successfully completed the course, *INTERNAL AUDITING: Mini-Audits for Maximum Results*. The course was conducted by Frank Novak, from KAVON International, Inc.

Founded in 1949, the SIVACO Wire Group is one of North America's leading wire suppliers, producing in excess of 400,000 tons each year. With 50 years of experience, SIVACO maintains a strong emphasis on product development using only the latest technology with a sophisticated line of wire products that surpass customer expectations.

SIVACO's presence in the wire industry is notable by its unique ability to manufacture a wide variety of customer-specific products used in thousands of different applications. These products consist of Cold Heading Quality Wire, Galvanized Wire, High Carbon Wire, Industrial Quality Wire, and SIVACO's new 9000 Series.

SIVACO Georgia is registered to the ISO 9002 quality standard.
