(l to r): P. Alsip, S. Bryant, J. Chaney, D. George, T. Dottore

On April 1, 2003, a group of Valtronic USA, Inc. employees successfully completed the course, ***INTERNAL AUDITING: Mini-Audits for Maximum Results***. The course was conducted by Frank & John Novak, both from KAVON International, Inc.

Valtronic USA, Inc. is a Swiss-based company founded in 1982. They are a contract manufacturer specializing in miniature electronic modules made to customer requirements. They have facilities in Switzerland, USA and Morocco. They offer a full turnkey solution including, but not limited to, project management, procurement, assembly, testing and specialized shipping. They have a full RDI (Research, Development & Industrialization) department that works with their clients to design and develop their products.

For more information on this course, or others offered by KAVON International, Inc., please contact us at 888-637-9598.
