Employees Of Krenz Krist Machine, Inc. Proudly Displaying Their ISO 9001:2000 Flag

Krenz Krist Machine, Inc. successfully achieved certification to the ISO 9001:2000 Standard in January 2003 and received their certificate from CRS. Tom Fazekas, from KAVON International, Inc., provided consulting assistance for their project and presented them with a flag commemorating their accomplishment on March 21, 2003.

Krenz Krist Machine, Inc. is a third generation, family run business located in North Royalton, Ohio. Since 1967, they have grown from a tiny 2-man operation to more than 50 employees, occupying a 30,000 square foot facility. They are a full service job shop that can handle the needs of their customers for precision machined products in high or low volumes.

Krenz Krist Machine, Inc. is capable of performing many types of precision machining, including:

- Rotary transfer, multi-spindle screw machines (with bar capacities from 1/4" to 3-1/4" diameters).
- Single-spindle screw machines (with bar capacities from 1/8" to 2-5/8" diameters).
- CNC turning (with 5-axis capability).
- CNC milling and drilling.
- Electric discharge machining (EDM).

Congratulations go to the entire team at **Krenz Krist Machine, Inc.** for their accomplishment.
