MASCO MACHINE INCORPORATED

5405 Avion Park Drive
Highland Heights, Ohio 44143-1918

(l to r) Stephen Fedor, Greg Bozek, Edward Fedor, Frank Novak (KAVON)

Congratulations are in order for **Masco Machine Incorporated**, located in Highland Heights, Ohio. In October 2001 they received their certification to ISO 9001 from QMI. During the flag ceremony on February 18, 2002, Frank Novak (KAVON International President) presented the ISO 9001 flag to Edward Fedor (President), Stephen Fedor (Executive Vice President, and Greg Bozek (Quality Systems Coordinator).

Masco Machine Incorporated is a leading manufacturer of machine tools for many diverse industries including the automotive, electrical, medical, aircraft, hydraulics, and aerospace industries. Their products include flexible manufacturing systems featuring horizontal and vertical CNC machining centers, micro-finishing systems, in-line transfer machines and dial machines.

Since their founding in 1962, **Masco Machine Incorporated** has evolved from designing tools and dies to designing and building machining systems including transfer lines and CNC (Computer Numeric Control) machining cells and systems.

If your company is seeking registration to the ISO 9000:2000, ISO 16949, QS-9000, AS9100, ISO 17025, or ISO 14001 quality standards and need some assistance, give us a call at 888-637-9398.
