Employees Of Timken Latrobe Steel Distribution Proudly Displaying Their ISO 9001:200 Flag

Timkin Latrobe Steel Distribution successfully achieved certification to the ISO 9001:2000 Standard in April 2004 and received their certificate from Smithers Quality Assessments, Inc. KAVON International, Inc., provided consulting assistance for their project and presented them with a flag commemorating their accomplishment on April 28, 2004.

Timken Latrobe Steel Distribution (TLSD), a unit of The Timken Company and a wholly owned subsidiary of Timken Latrobe Steel, was formed in May 1997 from the merger of Houghton and Richards Corporation and Ohio Alloy Steel Corporation. Based in Vienna, Ohio, TLSD processes and distributes tool steel, high speed steel and carbon alloy steel products in round, plate and sheet form to original equipment manufacturers and other steel distributors. The company has offices in Vienna, Ohio and Marlborough, Massachusetts; processing facilities in Vienna, Ohio and White House, Tennessee; and branch warehouses in Chicago, Illinois, Northborough, Massachusetts and Greer, South Carolina.

Congratulations go to the entire team at **Timken Latrobe Steel Distribution** for their accomplishment.
